S/021/022 Iron County

Dear Mr. Chamberlain:

Thank you for your letter of June 13, 1994. I am unable to determine a bond amount for Mr. Truman's lease until I receive additional information. Article XII of the lease provides that not less than 60 days prior to commencing operations on the lands the Lessee shall give written notice of intent to the Division of State Lands & Forestry, detailing the proposed operations. On April 26, 1994, I sent Mr. Truman specific instructions on how to provide notification to the division but have received no reply.

I am enclosing a copy of the notification instructions and the bond form which I previously sent to Mr. Truman. Upon receiving the required notification of intent to commence operations the division will determine the amount of the required surety bond.

Please contact me if you have any further questions.

Sincerely,

JOHN T. BLAKE
